How to expand on your Banana study:

- ⇒ Learn about Iceland and their heated geysers.
- ⇒ Learn about the Philadelphia Centennial Exhibition of 1876.

FEEDBACK REQUESTED:

I have already invested approximately 30 working hours on this book and am VERY proud of it. With that said, I understand that there is always room for improvement.

So, please help me to improve this book by dropping an email to Kelli@blogprintmedia.com

Although I want you to be as candid as possible and to tell me all of your thoughts on Chapter One, I do have a few questions that I would also love for you to answer:

1. Do you homeschool? If yes, for how long and how many children?
2. Have you ever seen an alphabet curriculum presented this way?
3. Would you use this resource?
4. How much would you be willing to pay for it?
5. What price point would make you snap it up without hesitation?
6. Do you like eBooks, or do you prefer hardcopies?
7. Where did you get this free chapter?

Please share this free chapter with your friends!

Also, if you are interested in promoting this book when I get ready to launch it for sale, please make note of that so I can help you get signed up as an affiliate.
