Adjectives

Adjectives are describing words. They describe nouns. Color the pictures below, and write four adjectives to describe each one. Remember, don't name the picture. Describe it.

More Than One

A plural noun is a word that names more than one person, place, or thing. There are several ways to make a word plural:

- Add -s to most nouns to make them plural.
- If a noun ends in s, x, ch, or sh, add -es.
- If a noun ends in a consonant and y, change the y to i and add -es.
- If a noun ends in a vowel and y, add -s.
