Sam, a spirited squirrel, decided to go on a sunny safari. He hopped into his little boat and set sail down the sparkling river. The sun was shining brightly, and Sam was excited to see what adventures awaited him.

As he sailed along, Sam spotted some snakes with beautiful spots lounging near the riverbank. "Hello, spotted snakes!" Sam called out cheerfully. The snakes waved their tails in greeting.

Further down the river, Sam saw swift swans gliding gracefully on the water. They looked so elegant as they moved. "Hello, swift swans!" Sam greeted them. The swans nodded their heads and continued their swim.

Then, Sam came across a field full of sassy sunflowers. Their bright yellow petals danced in the breeze, and they seemed to be smiling at Sam. "Hello, sassy sunflowers!" Sam said with a smile. The sunflowers swayed happily.

Sam decided it was time for a snack, so he found a cozy spot under a big tree. He shared his snacks with the swans and told stories to the sunflowers. Everyone enjoyed the sunny afternoon together, sharing snacks and stories under the warm sun.
