Zack, a zippy zebra, loved to zip around the zoo. One day, he decided to make his adventure even more exciting by zesting zucchinis for all his friends. He wanted to bring some extra flavor and fun to everyone at the zoo.

First, Zack zipped over to the zealous zookeepers who were busy taking care of the animals. "Here are some zesty zucchinis to give you energy," Zack said with a smile. The zookeepers thanked him and enjoyed the tasty treat. Next, Zack met up with some other zestful zebras. "Try these zesty zucchinis, my friends!" Zack exclaimed. The zebras munched on the zucchinis and felt more energetic and happy.

Then, Zack saw a big zeppelin floating above the zoo. "Even the zeppelin crew needs some zest," he thought. So he sent some zucchinis up with a little help from the zookeepers. Finally, Zack found some colorful zebrafish swimming in a pond. "Would you like some zesty zucchinis?" he asked. The zebrafish swam around excitedly as Zack dropped the zucchinis into the water.

By the end of the day, Zack had zapped zestlessness zealously throughout the zoo, and everyone was filled with zesty joy.
